Purchase of membership grants access to hunting, fishing, and/or sport shooting training/certification classes through your local hunting, fishing, and sport shooting office. This membership also allows enrollment in higher level training and certification classes such as hunting instructor, fishing instructor, or recreational range master (Schützenmeister).

Garrisons require membership to participate in hunting, fishing, and sport shooting training/certification or related activities/events. Local hunting, fishing, and sport shooting offices also require membership before validating certificates of need (AE Form 190-6L) and hunting license applications and/or renewals. **Your membership card must be presented as proof of membership or you must purchase a new/replacement membership card.**

Individuals who purchase a "Lifetime Membership" will receive a commemorative "Lifetime Member" shirt, subject to availability. Individuals with an active membership can purchase a replacement membership card for an administrative fee of \$5.00.
