

IMCOM Europe Region

US Forces Sport Shooting Program Training

Schützenmeister Training & Certification

Part 2

Mr. Gert Lindenau
Hunting, Fishing & Sport Shooting
Program Director

IMCOM delivers and integrates base support to enable readiness for a self-reliant and globally-responsive All Volunteer Army

We are the Army's Home

Instructional Topics

Basic Knowledge Certification

- Purpose/Background/History
- Firearm and ammunition history
- Firearm functionality
- Firearm and ammunition technology
- Safety
- German weapons law
- Legal/Penal Code Federal/Local
- Handling of firearms and ammunition
- Firearm ownership/registration
- Practice & safe handling review
- Sport Shooting Disciplines
- Application process
- Exam: Written/Verbal/Practical

Schützenmeister Certification

- JMTC (local specific) SOP Orientation
- JMTC Ammo Energy Limitations
- Exam: JMTC SOP
- Purpose/Background/History
- German weapons law review
- Safety
- U.S. Forces Sport Shooting Handbook
 - Administrative Rules
 - Sport Shooting Disciplines
 - Administrative Procedures
- Application process review
- Exam: Written/Discussion

Hunting, Fishing, Sport Shooting

Welcome!

Please scroll down and click on any of the sections for information within the section.

Program Overview

There are many opportunities for U.S. Forces personnel to hunt, fish, and enjoy sport shooting in Germany. Contact Outdoor Recreation for further details.

Hunters may seek game including Red Deer (Rotwild), Roe Deer (Rehwild), Fallow Deer (Damwild), Wild Boar (Schwarzwild) and Chamois (Gamswild). Fishers will find several varieties of trout (Bachforelle, Regenbogenforelle, Bachsaibling, and Seesaibling), catfish (Waller or Welsk) and pike (Hecht) along with many other fish in the waters of Germany and other European countries.

U.S. Forces Sport Shooting Disciplines

IMCOM Europe Region U.S. Forces Hunting, Fishing, and Sport Shooting Program

Schützenmeister Training U.S. Forces Sport Shooting Disciplines

The Program includes

12 Handgun disciplines

14 Long Gun disciplines

FunnyPostCard.com

Schützenmeister Training

U.S. Forces Sport Shooting Disciplines

Hand Gun (*Kurzwaffen*) Events

R1	Revolvers w/barrel length of 3"
R2	Revolvers w/barrel length > 3" to < 6"
R3	Revolvers w/barrel length 6" and longer
P1	Pistols w/barrel length of 3"
P2	Pistols w/barrel length > 3" to < 6"
OP	Military Pistols and Revolvers manufactured before 1945
DP	Service Pistols and Revolvers manufactured after 1946
PP1	Police Pistol 1(NRA)
SM	Silhouette Magnum Shoot
WR	Western Revolver Shoot
LU	Luger Pistol Shoot
1500	1500 Shoot
JP*	Hunting Pistol/Revolver

Long Gun (*Gewehre*) Events

OG1	Military Rifle, center fire
OG2	Military Rifle, rim fire (small caliber)
OG3	Military Rifle, scoped
ZF1	Rifle, scoped, center fire
ZF2	Rifle, scoped, rim fire (small caliber)
SL1	Rifle, semi-automatic, center fire
SL2	Rifle, semi-automatic, rim fire (small caliber)
RF,SF	Bolt-Action/Pump Shot Gun, Semi-Auto Shot Gun
LAG 1	Lever-Action Rifle, center fire, rifle cartridges
LAG 2	Lever-Action Rifle, center fire, handgun cartridges
LAG 3	Lever Action Rifle, rim fire (small caliber)
JG*	Hunting Rifle
TRAP	Hunting shot gun shoot
SKEET	Hunting shot gun shoot

* Only for persons who are authorized to shoot as hunters

All sport shooting weapons must be in compliance with the legal provisions. Use of weapons which are excluded from use for sport shooting in accordance with §6(1) of the General Ordinance on the Weapons Law (*AWaffV*) are prohibited.

The minimum barrel length for short hand guns is 3" (7.62 cm).

U.S. Forces Sport Shooting Disciplines & Targets

- Example Discipline
- R 1

Weapon: All revolvers with a 3" barrel length are permitted.

- Sights**
Sights consist of two components: Front and rear sight
- Trigger**
Min. 1000 g. Trigger stop is allowed.
- Grips**
Orthopedic grips and palm-molded surfaces are not allowed.

Calibers: Calibers will be scored in caliber categories

Categories:

Cal 0.0 - .31

Cal .32-45

Magnum Calibers

Ammunition: All commercially available and reloaded ammunition is permitted. All bullet shapes as well as lead, jacketed, partially jacketed and fully jacketed bullets, and bullets with a galvanic or plastic coating are permitted. Black powder loads are not allowed.

IMCOM Europe Region U.S. Forces Hunting, Fishing, and Sport Shooting Program

Schützenmeister Training U.S. Forces Sport Shooting Disciplines & Targets

- **Example Discipline (cont'd)**

Aiming Position: One-handed or two-handed position

Target: Target No. 1

Distance to Target: 15 m/ 20 m/ 25 m

Number of Shots/Shooting Time: Six series of 5 shots, 60 seconds per series

Sequence:

1. Series 15 m standing
2. Series 15 m kneeling
3. Series 20 m standing
4. Series 20 m kneeling
5. Series 25 m standing
6. Series 25 M kneeling

Shooting Glasses: Shooting glasses of any kind may be worn.

Scoring: Scoring will be accomplished in accordance with general rules.

Schützenmeister Training

U.S. Forces Sport Shooting Handbook Admin Procedures

Schützenmeister Training

U.S. Forces Sport Shooting Handbook – Admin Procedures

- **Competitions**

- **Friendship Shoots**

- Internal or with German or international clubs
- No public notification is required
- Legal gun owners only (WBK, insurance)
(exception: US personnel with gun stored at installation R&G or HFS - insurance)

- **Championships (open)**

- Club (Garrison), State, or German Championships will determine the best shooters for the sport year (calendar year)
- Public Notification is required
- All members or non-members may participate (must be U.S. Forces)
- Non-members will have to accept the sport shooting rules in writing, provide proof of insurance, and proof of the technical knowledge examination for weapons and ammunition
- Legal gun owners only (WBK, insurance)
(exception: US personnel with gun stored at installation R&G or HFS - insurance)

- **Scoring may be done individually and for teams**

Schützenmeister Training

U.S. Forces Sport Shooting Handbook – Admin Procedures

- **Competitions (continued)**
 - A discipline of a championship generally takes place on one day in one location
 - Public Announcements must be mailed out 4 weeks prior
 - A shooter may only sign up one time for a discipline (once as individual, once as part of a team is OK)
 - In case a large number of shooters at German Championship a min. points requirement may be established (shoot at state level)
 - The US Forces are not required to offer championships in all disciplines
 - A minimum of 3 shooters per discipline is required
 - Dates are set by the organizer
 - Test firing by shooters prior to competing is not permitted - Make-up shooting is not permitted
 - Organizers are required to use pre-printed registration forms
 - Participation fees are due when registering
 - Deadlines must be adhered to
 - Changes in registration (switch from R1 to R2) may be considered

Schützenmeister Training

U.S. Forces Sport Shooting Handbook – Admin Procedures

- **Announcements**
 - Name/Address of organizer
 - Addressee if participation is limited
 - Event Name, Time, Date, Location
 - Discipline Description
 - Registration Deadline
 - Registration Fee
 - Description of Prizes
 - Note on limited participation
 - Modification of Standard Rules
 - Reservation/Modification Clause
 - Exact location description with driving directions
- **Confirmation**
 - All shooters must be notified
 - Shooters that cannot be accepted must be notified
- **Starter List and Score Board**
 - Public Display

Schützenmeister Training

U.S. Forces Sport Shooting Handbook – Admin Procedures

- **Weapons Check**

- Questionable categorization of weapons or reliability of weapons parts or equipment – each shooter is required to consult organizer before shooting events begin
- Each shooter is responsible to make weapon, ammo, equipment available for official equipment check
- The shooter is entitled to have equipment check
- After approval the shooter is required to have equipment available for possible additional checks until 15min. after leaving the firing line.
- If approval of weapon is contingent on “service use/dates” the burden of proof is with the shooter

Schützenmeister Training

U.S. Forces Sport Shooting Handbook – Admin Procedures

• Starting Times

- Shooter must start on time – in case of his/her delay the time will be deducted from allotted shooting time
- Other shooters may not be inconvenienced
- If shooter cannot shoot or complete shoot starting fee is forfeited
- Shooter has right to access range NLT 5min. prior to firing for final preparations
- Shooter may not demand particular starting times (starting times for non-local shooters should be adjusted)
- Starting times are fixed but shooter should cooperate to permit some flexibility
- Shooting durations will be determined within the disciplines
- Targets should be ready 5min. prior to shooting to permit sighting practice
- Interruptions – time credit for no fault of shooter if delay of >3min

Schützenmeister Training

U.S. Forces Sport Shooting Handbook – Admin Procedures

- **Targets**

- Shooters are responsible for turn-in of their targets or results for scoring
 - Test targets must not be turned in
- Objections by shooter – only for incorrect counting, adding mistakes, or incorrect listing on score boards
- Scores on scoring cards are to be validated (signed) by range officer
- If a hit touches the next higher ring, the higher ring counts
- If a shot is fired when targets are turning it will be counted as a miss if hole is 1.5 times the caliber diameter
- In case scoring is done at the firing line (target re-use) objections are only valid at that time – no after-the-fact objections

Schützenmeister Training

U.S. Forces Sport Shooting Handbook – Admin Procedures

- **Conducting the Shoot**

- **Personnel**

- **Organizer**
- **Registration (issue score card, take money)**
- **Weapons/Equipment Check (compliance with book)**
- **Range Officers (safety and who shoots and when)**
- **Scoring (compare target number & score card number)**

- **Organizer must provide sufficient personnel**

- **Non-participating sport shooters may assist**

Schützenmeister Training

U.S. Forces Sport Shooting Handbook – Admin Procedures

- **Protests**

- Violations of rules must be reported immediately
- Protest require 10 Euro deposit, names of witnesses
- Protests of results NLT 30min. after publication
- Final decisions on protests are made by organizer

- **Cross-Fire**

- Shooter must report immediately, counted as misses for offender
- Non-offender must report immediately
- If the cross-fire hit cannot be determined, worst ring(s) will be omitted

- **Incorrect No. of shots**

- Too many hits – omit best hits (if unknown)
- Too few hits – count as misses

Schützenmeister Training

U.S. Forces Sport Shooting Handbook – Admin Procedures

- Judging identical scores
 - Higher number of 10s
 - Higher number of inner 10s
 - Smaller distances from farthest shot from center
- Deviation from scoring rules must be noted in announcement
- Shooter will be penalized for violation or ignoring of rules or instructions (note on score card)
- Deduction of points or disqualification will be determined by organizer (note on score card)
- Warnings – minor infringements (note on score card)
- Disqualification follows after 2 warnings
- Immediate disqualification
 - Carrying loaded weapon
 - Condition is not visibly evident
 - Dropping weapon
 - Improper handling
- Disqualification – starting fee forfeited

Schützenmeister Training

U.S. Forces Sport Shooting Handbook – Admin Procedures

- **Defects/Malfunctions**

- If shooter has defect – repair, shoot later
- Min. time 30s per shot (except short-burst series)
- Ammo problems – shooter may reload (his time)
- No right to repeat a discipline

- **Shooting prior to “Fire Signal”**

- Miss, no right to repeat

- **Shooting after “Cease Fire Signal”**

- Best hits cancelled, regardless of hits

Schützenmeister Training

U.S. Forces Sport Shooting Handbook – Admin Procedures

• Technical Rules

– Commands - static targets

- Weapon ready, pre-aiming position

- “Is the shooter ready?” – if no reply

- “Fire””Cease Fire”

- Acoustic signals are permitted

– Commands – turning targets

- Weapon ready, pre-aiming position

- “Is the shooter ready?” – if no reply

- Targets will spin away for 7-10s

- When targets appear timing will start

- Timing ends when targets spin away

- In between intervals pre-aiming position

Schützenmeister Training

U.S. Forces Sport Shooting Handbook – Admin Procedures

- **Targets**
 - Distance from far end of firing line to front of target
 - **Max. Tolerances**
 - 25m +/- 20cm
 - 50m +/- 50cm
 - 100m +/- 100cm
 - 300m +/- 100cm
- **Ammunition**
 - Laws must be observed
 - Reloads – no excess gas pressure
 - Min gas pressure must permit semi-auto to function
 - Loading Aids – permitted
- **Sun/Rain/Clothing**
 - Sun/Rain protection permitted - other shooters may not be inconvenienced
 - Active duty may shoot in uniform
 - Civilians may not wear uniforms or uniform parts

Schützenmeister Training

U.S. Forces Sport Shooting Handbook – Admin Procedures

- **Trigger Pull Force**
 - Force parallel to barrel to release shot
 - Weight (vertically mounted) does not release shot
- **Trigger Stop**
 - Swing-out is permitted
 - Disciplines without trigger stop can be shot using swing-out
 - Temporary items (tape) may be considered trigger stops
- **Grips**
 - Combat – finger indentations – no thumb-rest
 - Sport – orthopedic grips with thumb and/or palm rests
- **Targets**
 - Only approved targets for competitions
 - Marked with number or name
 - Material may not tear holes larger than caliber
 - Test targets must be explicitly marked
 - Targets resembling humans are strictly prohibited

Review

U.S. Forces Sport Shooter Application Process

IMCOM Europe Region U.S. Forces Hunting, Fishing, and Sport Shooting Program

Schützenmeister Training U.S. Forces Sport Shooter Application Process

- Application Process and Forms (US Forces Membership)
 - Complete the package described below with your garrison or base *Schützenmeister*
 - Submit package requirements to IMCOM-E, MWR U.S. Forces Hunting, Fishing, Sport Shooting Office

- Obtain Personal Liability Insurance that covers shooting sport (most do)
 - German Insurance company 30-50 Eur/year
- Get background check done (AE Form 190-6D, Part A)
 - Through OPM/RMV
- Obtain CDR Statement of Reliability (AE Form 190-6Ha or b)
 - Signature authority is with O-5 or higher (delegated to civilian equivalents effective April 2013)
- Obtain Knowledge Test certificate (AE Form 190-6K)
 - After completing basic knowledge training
- Obtain Certificate of Need (AE Form 190-6L)
 - Through Outdoor Recreation and/or local *Schützenmeister*
- Provide photo(s) of safe(s)
 - Safe ID sticker with manufacturer and rating
- Provide proof of shooting min. 18 times in 12 months
 - Personal Shooting Log
- Complete German Weapons Registration Form (AE Form 190-6D, Part B)
- Complete USAREUR Weapons Registration Form (AE Form 190-6D)
- Include original WBK (if already issued)

Forms locations:

<https://aepubs.army.mil/ae/public/index.aspx>

<http://europe.armymwr.com/europe/kaiserslautern/programs/hunting-fishing-sport-sho/> * (and other garrisons)

Version 8

241600RAUG15

Schützenmeister Training

U.S. Forces Sport Shooter Application Process

- Sport shooters submit their certificate of need (original document) and the rest of their application package (see previous slide) to IMCOM-E, Family and MWR
- IMCOM-E, Family and MWR checks entire package, validates certificate of need and forwards to USAREUR Registry for processing
- USAREUR Registry processes and forwards entire package to *BVA*
- *BVA* will process and generate *WBK* or entry on *WBK*
- *BVA* will mail invoice to German mailing address of shooter
- Sport shooter pays invoice using German bank transfer
- Sport shooter should email scanned copy of payment receipt to *BVA* POC for faster processing
- *BVA* will mail *WBK* to German mailing address of sport shooter

Schützenmeister Training

U.S. Forces Sport Shooter Application Process

- Requirement to continue shooting remains (after 3 years *BVA* will request re-certification of need)
- Requirement remains to be member of shooting program
- Insurance must be kept current for duration of membership
- For weapons transactions Background Check and CDR Statement of Reliability must be less than 12 months old
- Upon departure from Germany (PCS) *WBK* must be surrendered (*BVA* will keep on file)

- In case of conviction, *BVA* will withdraw *WBK*

IMCOM Europe Region U.S. Forces Hunting, Fishing, and Sport Shooting Program

Schützenmeister Training

That's all, folks!

Installation Management Command

“Sustain, Support and Defend”
