SUBJECT: Proof of Liability Coverage

To Whom It May Concern:

The following statement is provided on behalf of the U.S. Army, Europe Rod and Gun Clubs, to satisfy the proof of liability insurance requirement:

"The United States government, in effect, is a self-insurer for certain acts of its employees; therefore, no independent "insurance policy" exists. Claims involving death, personal injury, or damage to or loss of property caused by the negligent or wrongful acts or omissions of military personnel or civilian employees of the Department of the Army (while acting within the scope of their employment under circumstances in which the United States, if a private person, would be liable to the claimant in accordance with the law of the place where the act or omission occurred) are processed under the provisions of Federal laws and Status of Forces Agreements."

If there are questions regarding the above, please contact the NAF Risk Management Program at (703) 681-7314.

Sincerely,

Kenneth R. Harris
