CLASS DESCRIPTIONS

BEGINNERS YOGA: This beginners class contains gentler poses at a slower pace to include modifications for pregnancy.

GUNS & BUNS BOOT CAMP: This (WOD) boot camp is designed to lift, strengthen and tone in all the right places! Indoor/outdoor functional fitness exercise meets resistance training to have you sweating hard, feeling great and looking better, all in 45 minutes!

MIXED LEVEL YOGA: Flow through yoga postures to energize the body and experience the physical benefits of yoga as well as relaxation techniques to calm the mind and rejuvenate the body. This class will meet your expectations as modifications are made throughout the class.

SPIN: A low impact, high-intensity workout that burns calories like no other cardio class. Follow your instructor on imaginary bike rides that include endurance rides, challenging uphill climbs and fast downhill slopes.

TOTAL BODY CONDITIONING (TBC): Incorporates strength and cardio segments using equipment such as dumbbells, kettlebells and bonds for a total body workout.

WELLBEATS FUSION: You decide the time and class with our Wellbeats video programs. It will be set up and ready for you to pick your 'workout of the day'.

YOGA WITH WEIGHTS: Pump up your yoga by adding small dumbbells to specific positions which allows you to move deeper into each pose. RETURNS JAN. 2020

ZUMBA: Fuses hypnotic Latin rhythms, hip-hop, and easy-to-follow aerobic moves to create a high energy, fat-burning "dance" fitness class that will blow you away!
